▶ HUMAN RESOURCES AND TRAINING ◀

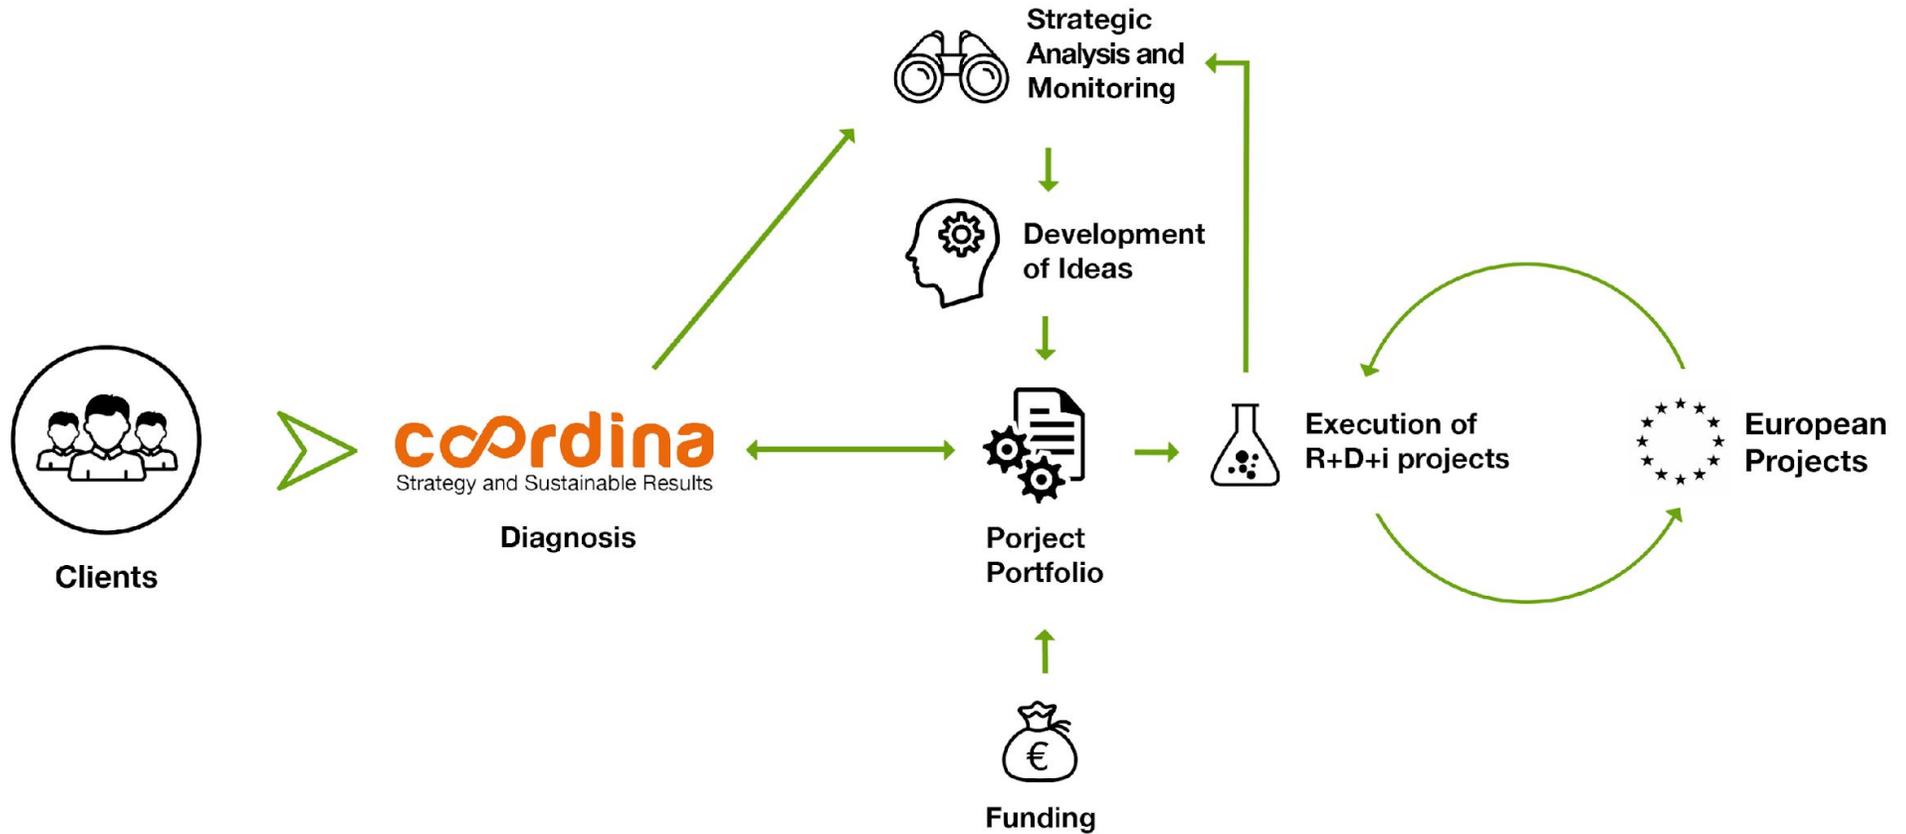

CORPORATE SOCIAL RESPONSIBILITY

Engagement, identification and integration of expectations

 New rules of organization / society relationship, dialogue with interest groups

INNOVATION AND PROJECTS

Our Experience in the CSR / Sustainability field...

- We help our clients and collaborators:
 - Training: almost 400 SMEs trained in CSR and Sustainability since 2017 through a program led by the Chamber of Commerce of Valencia.
 - Development of Sustainability Strategic Plans.
 - Elaboration of Sustainability Reports following Global Reporting Initiative Standards.
 - Participation as partners in APPETITE E+ Project

APPETITE

Agrifood Partnership Promoting Education for the Transition of the Industry Toward Enduring Business Models

2017-1-TR01-KA202-045866
