

The Center of Excellence in Entrepreneurship

Who We Are

Established in 2005, Institute of Entrepreneurship Development (IED) is a fast-growing Center of Excellence in European Entrepreneurship and a leading Digital Innovation Hub.

Our Expertise

ENTREPRENEURSHIP

Promoting change for the better, through entrepreneurial and innovative actions across Europe.

EU PROJECTS

Developing and managing projects of diverse scientific fields connected to entrepreneurship.

EDUCATION

Diagnosing educational needs and developing personalized training courses.

BUSINESS

Providing business guidance in all stages of entrepreneurship.

STARTUPS

Assisting the startup ecosystem building locally and internationally.

Digital Transformation

Educating people and companies in the digital mentality, technology platforms and digital tools.

ICT

Connecting digital skills with entrepreneurship for everyone

A strong and reliable European project partner

Since our establishment in 2005, we have implemented EU projects, under multiple EU Financial Frameworks. Through the years, our team of expert Project Proposal Writers and Project Managers has gathered the experience to write and implement any EU Project either as project partners or project leaders.

- Horizon 2020
- Interreg
- COSME
- Erasmus+
- Asylum, Migration and Integration Fund (AMIF)
- Rights, Equality, and Citizenship (REC)
- ENI CBC MED
- Europe for citizens
- Justice

- Life

Innovation Office

Supporting actions and record trends in science and entrepreneurial practice

Our Innovation office creates relations with companies, research centers and other important stakeholders on a national, European and International level to promote entrepreneurship

The Network

Promoting EUopreneurship

The Network aims to advance the understanding and promote the principles and values of European Entrepreneurship with access to funding, the market, networking and education

- Switch from a local to a Pan-European approach to Entrepreneurship
- Increase collaboration with start-ups and corporations
- Support networking in every value form
- Support maximum access to quality and valuable data

Our Custom Services

IED helps you find the EU programmes that match your needs. We help you write your proposal and develop your project. With our services you now have access to important funds for innovation.

EUcalls: Your intelligent database of EU calls and EU project partners

Proposal Writing: Experts take care of your proposal while focus on the core of your business

IED Academy

The most up-to-date Knowledge Hub around European Entrepreneurship. IED Academy is an ecosystem for developing your skills and expanding your knowledge in European Entrepreneurship.

- Skills Development

Our Events & Network

Always innovating and developing trends!

By recognizing entrepreneurship as a crucial factor in the development and cohesion of societies, we are participating in several EU and not only initiatives.

We have gone Digital. IED cares for the health and security of our employees and partners. We have upgraded our systems to support online events and webinars.

Thank you for your attention!
